

REMARKS

From the Notice, it appears that the Amendment of October 9, 2009, filed with the RCE, was entered. If the Amendment was not entered, entry of the Amendment is hereby solicited.

The Notice stated that the Amendment of October 9th was not fully responsive as there was no complete or accurate record of the substance of the September 14th interview.

Interview Summary

In the September 14, 2009 interview, the 112 and 101 rejections as to the independent claims were discussed.

Although agreement with respect to the claims was not reached, in the September 14, 2009 interview, the Examiner made suggestions as how to overcome issues with 112 and 101, and thereby overcome the pending 112 and 101 rejections.

The above summary is consistent with that appearing on the Interview Summary and is believed to be complete and accurate.

This response is believed to cure the defect in the Amendment of October 9, 2009 as noted in the Notice.

Applicant again thanks the Examiner for the interview held September 14th and the kind suggestions made at that time.

The claims were amended in a manner believed to be consistent with the suggestions made by the Examiner. Therefore,

reconsideration and allowance of all the claims are respectfully requested.

This response is believed to be fully responsive and to put the case in condition for allowance. Entry of the amendment; and an early and favorable action on the merits is earnestly requested. Applicant respectfully requests that a timely Notice of Allowance be issued in this case.

The Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 25-0120 for any additional fees required under 37 C.F.R. § 1.16 or under 37 C.F.R. § 1.17.

Respectfully submitted,
